

# Waste & Recycling Insurance

The Waste and Recycling Industry is complex and can involve numerous risks. These can include injuries to workers when operating machinery and exposure to hazardous materials, so it is important to protect your business and your people by having the correct cover.

## How can we help?

Whatever the size of your business, whether a small/medium enterprise, or you run a large-scale commercial operation, we can help find the correct level of cover tailored to your requirements.

### What cover do you need?

- > Public/Products liability insurance
- > Employers' liability insurance
- > Machinery and plant machinery
- > Business interruption insurance
- > Directors & Officers
- > Excess Liability up to £50m

### Types of businesses we work with

- > Waste Transfer Stations
- > All Waste Related Businesses
- > Tyre Recycling
- > Metal Recycling/Merchants
- > Skip Hire
- > Asbestos
- > Waste Management
- > Quarries
- > Demolition

### Risk Management

The Waste and Recycling sector is dangerous, second only to the farming sector. We can support you with assessing and mitigating risk to your business and employees, working alongside our colleagues at PIB Risk Management.

### Why choose PIB Insurance Brokers?

- > Long-standing knowledge of the industry, with experts that specialise in waste and recycling insurance
- > Excellent relationships with underwriters to ensure you get the right cover for the right price
- > Access to schemes via our cover holder Citynet and two other London market brokers
- > We work closely with PIB Risk Management and PIB Employee Benefits to help protect and engage your teams

We are just a phone call away, even at weekends, so if you need us, we're on hand.
